

Denny Spencer

March 16, 2017

The following note was written by Denny Spencer's daughter, Lisa Adams, communicating his passing:

It is with profound sadness that we tell you of the passing of my Dear Dad, Denny Spencer, whose never-ending optimism and zest for life was an inspiration to all who knew him. While we know he is enjoying a reunion in heaven with all who went before him, he leaves a void that cannot be filled. We appreciate your continued prayers for our family, especially his "buddy" Clayton Spencer Adams. A wonderful celebration of his life will be at 11 a.m., March 25 at St. Paul's UCC in Belleville.

Lisa Adams

Denny was director of Internal Auditing for many years with the MoPac, moved to Omaha in the Accounting Department with the merger and retired from the position of President, Terminal Railroad of St. Louis in 2001.
